

Funding Priorities – West Florida

The funding priorities for the Orlando Health Community Grant Program are based on the top needs identified in the 2025 Community Health Needs Assessment. For the West Florida region (Pinellas County), there are eight funding priority areas.

- **Behavioral Health**
- **Cancer**
- **Dental**
- **Economic Stability**
- **Exercise, Nutrition and Weight**
- **Healthcare Access and Quality**
- **Heart Disease and Stroke**
- **Neighborhood and Built Environment**
